

# Full Specialist

FLORIDA STATE APPROVED ESTHETIC LICENSING PROGRAM

## DURATION

600H

## LANGUAGES

## CLASSES

3X A WEEK  
4H A DAY

## Program Description

We offer a program that combines the skills of an esthetician and a nail technician to help you become a well-rounded beauty professional who has been trained in both skin and nails.

You will have the opportunity to gain hands-on experience through in-person interactions with guests in our school spa. It includes training in manicures, pedicures, nail extensions, facial manipulative skills, waxing and make-up. Upon graduation student will receive a diploma and be registered as a licensed Full Specialist professional in the State of Florida

## Learning Objectives

This program provides training for individuals interested in employment as a full specialist in salons and/or spas. The student will be prepared for the final exam and certification to be registered as a Full Specialist.
